6. Scope of work and Deliverables:

6.1. Project Background and Scope:

There are an estimated 10 million students in the public school system of Punjab. Initially, enrollment data of students of Katchi grade is planned to be digitized across Punjab (which is estimated to be 2.2 Million). Each year, the enrollment drive starts in April, and continues till the month of November.

School Education Department of Punjab will make paper-based enrollment forms of students available at the offices of Deputy District Education Officer (DDEO) at Tehsil level. The Contractor will be required to collect paper forms from the DDEO Offices, and enter data from these enrollment forms (estimated to be up to 2.2 Million) during the months of June till December.

In the first year (2016), enrollment data of approximately 1.3 Million students (60% of total volume) will be made available to the Contractor in June 2016 (almost 650,000 forms to be entered into online system per month). Rest of the data (pertaining to approximately 0.9 Million students) will be provisioned during the months of August through November 2016.

6.2. High level process flow

The process of capturing enrollment data and entering it into the online system is described below:

1. Head Teachers across all Government Primary Schools in Punjab will obtain and provide details of each new enrollment at Katchi level on paper-based forms (shown below), during the enrollment drive (April through November). However, in the first year, the enrollment data (estimated to be 1.3 Million) for the months of April 2016 and May 2016 will be made available to the Contractor in June 2016. The Contractor will be required to digitize data of almost 650,000 forms per month.

2. The Head Teacher of schools will submit all completed enrollment forms to the concerned AEO (Assistant Education Officer) at the end of every month.
3. AEOs will provide the filled enrollment forms to their concerned DDEO at tehsil level. The forms of each school will be enclosed in a separate envelope, with School's ID (EMIS Code) and number of enrollment forms written on the envelope.
4. The Contractor will be required to collect the filled forms from DDEO Office on 3rd working day of every month, and courier them to its data-entry location.

5. The Contractor will be responsible for timely and accurate data-entry into the central system of the Purchaser, latest by 25th of each month.
6. AEOs will download and print the cut-lists and get them verified from School Heads.
7. In case of corrections made to the cut-lists by the Head Teachers, the AEO will provide the corrected data at the concerned DDEO office, from where the cut-lists will be collected by the Contractor along with the new enrollment data, on 3rd working day of the next month.

High-level form digitization process:

The form digitization process is mainly comprised of the following steps:

1. Data entry of enrollment forms
2. Scanning and uploading of enrollment forms
3. Quality assurance of enrollment forms

The high-level process of digitization is elaborated as follows:

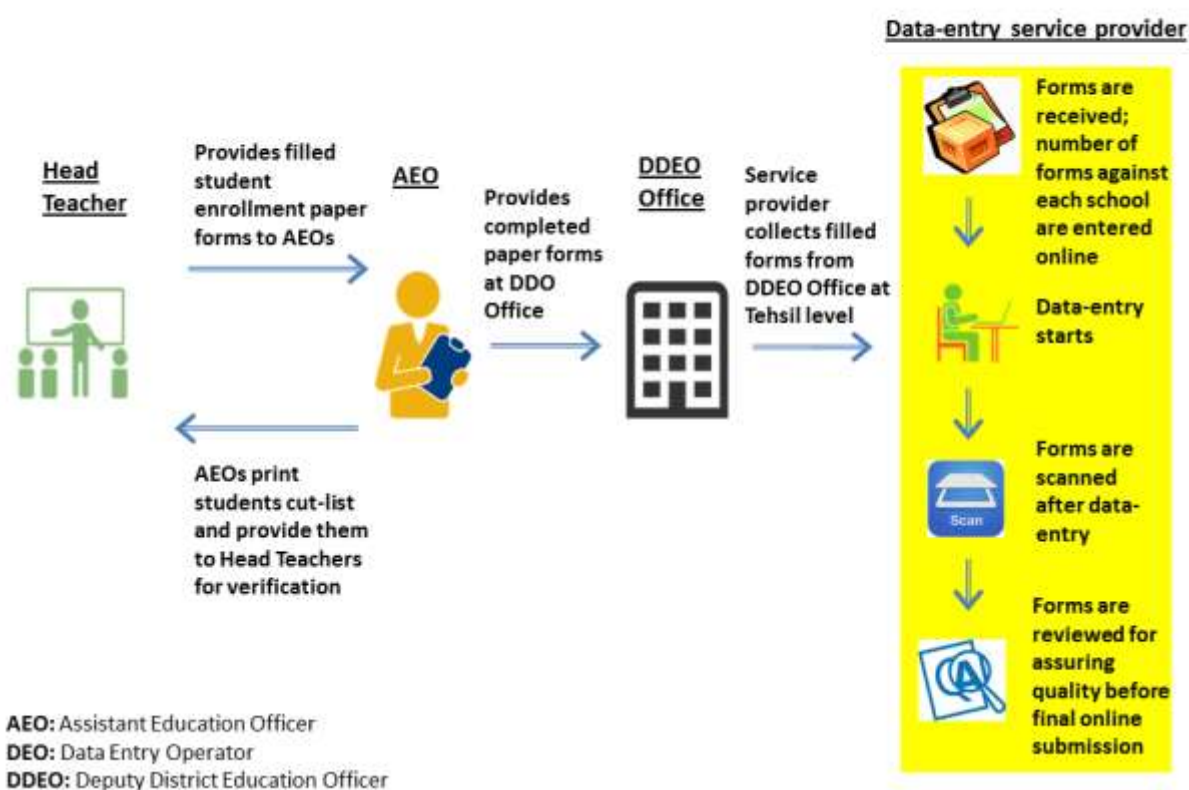

1. On receipt of the enrollment forms at the data-entry location, the data-entry supervisor(s) of the Contractor will enter number of forms received against each school, in an online portal (to be made available by the Purchaser).
2. Data-entry of each form will start in Urdu (via web portal access provided by the Purchaser)
 - a. Individual school envelopes will be assigned to individual data-entry operators, in order to keep track of the data-entry progress per school.
 - b. Snapshot of online data-entry form is displayed below:

- c. The online system will provide a Unique ID for each enrollment form entered into the system. The DEO will essentially write the Unique ID of the entered form on the paper-based enrollment form, along with his/her name, date and signatures.
3. After data-entry of forms, the Contractor will scan and upload the enrollment forms, along with the cut-lists (if any). The Purchaser will provide an interface, in which the Contractor will provide the unique ID of the enrollment form to be scanned, and upload the same form with that particular ID. Similarly, the cut-lists will also be scanned and uploaded.
4. The forms entered by the Data Entry Operators will be reviewed by the Quality Assurance personnel for accuracy, before final submission to the central database. The Purchaser will provide an online interface for the Contractor to cross-check data entered by the data-entry operator; with the paper-based enrollment forms.

High-level process flow for central data-entry services

The central IT system for entering and maintaining individual student records will be developed and maintained by the Purchaser. User credentials for each data-entry operator/QA resource will be provisioned to the Contractor. The Contractor will also have access to an interface, where it can create and manage profiles of new data-entry operators. The Purchaser will make real-time reports available to track daily progress on data-entry.

A central data dashboard will enable key stakeholders to access summarized and detailed information of public school students that are added to the database.

6.3. Operational Instructions/Guidelines:

During operations, the Contractor must follow instructions/guidelines as mentioned below;

1. It is obligatory on the Contractor to ensure that the overall data-entry error-rate at any instance must not exceed 2%.
2. It is also obligatory on the Contractor to ensure that the scanned forms are associated with the

digitized data with 100% accuracy.

3. The Contractor must make a Phone Number available for the AEOs/DDEOs to contact in case the availability of filled forms is delayed.
4. Bidder must devise quality assurance mechanism, and illustrate it clearly in the proposal.

Notes:

1. Contractor will be required to resolve data-entry error(s) free of cost
2. For each form corrected due to fault at the Head Teacher/AEO's end, the Contractor will charge 50% of the quoted cost of a form. The claims of corrections may be entertained after due verifications from the scanned copy of the enrollment form and cut-list.

6.4. Contract Duration

II. General Conditions of Draft Contract

29. Contract

The Purchaser shall, after receipt of the Performance Security from the successful Tenderer, send the Contract provided in the Tender Document, to the successful Tenderer. Within three working days of the receipt of such Contract, the Tenderer shall sign and date the Contract and return it to the Purchaser.

30. Contract Duration

Duration of the contract will be 12 months from date of LOA.

Based upon the satisfactory performance, the Purchaser may extend the contract for up to next one year at its exclusive discretion.

31. Contract Documents and Information

The Contractor shall not, without the Purchaser's prior written consent, make use of the Contract, or any provision thereof, or any document(s), specifications, drawing(s), pattern(s), sample(s) or information furnished by or on behalf of the Purchaser in connection therewith, except for purposes of performing the Contract or disclose the same to any person other than a person employed by the Contractor in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.

32. Contract Language

The Contract and all documents relating to the Contract, exchanged between the Contractor and the Purchaser, shall be in English. The Contractor shall bear all costs of translation to English and all risks of the accuracy of such translation.

33. Standards

The Goods supplied and the Services provided under this Contract shall conform to the authoritative latest industry standards.

34. Commercial Availability

The Services supplied under this Contract shall be commercially available at the time of signing of the contract. Commercial availability means that such Services shall have been rendered / delivered under two separate contracts by service provider globally / locally.

35. Patent Right

The Contractor shall indemnify and hold the Purchaser harmless against all third party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods / Service or any part thereof.

36. Execution Schedule

The Contractor shall start delivery of services within 10 calendar days after issuance of Letter of Acceptance (LOA).

37. Payment

37.1 The Contractor shall provide all necessary supporting documents along with invoice.

37.2 Payment will only be made for the enrollment forms entered (after scanning and QA) into the central IT system developed by the Purchaser. The Contractor will be required to resolve data-entry errors free of cost.

37.3 The Contractor shall submit an Application for Payment (Invoice), to the Purchaser. The

Application for Payment shall: be accompanied by such invoices, receipts or other documentary evidence as the Purchaser may require; state the amount claimed; and set forth in detail, in the order of the Price Schedule, particulars of the Services delivered, up to the date of the Application for Payment and subsequent to the period covered by the last preceding Payment, if any.

- 37.4 The Purchaser shall issue a Certificate of Payment, in the prescribed form, with a copy to the Contractor, verifying the amount due, within seven days of receipt of an Application for Payment. The Client may withhold a Certificate of Payment on account of defect(s) / short coming(s) in the services provided. The Client may make any correction or modification in a Certificate of Payment that properly be made in respect of any previous certificate.
- 37.5 The Purchaser shall pay the amount verified within thirty (30) days. Payment shall not be made in advance. The Purchaser shall make payment for the Services provided to the Contractor, as per Government policy, in Pak Rupees, through treasury cheque.
- 37.6 The Contractor shall cause the validity period of the performance security to be extended for such period(s) as the contract performance may be extended. In case the Contractor fails to submit bank guarantee with extended validity period for such period(s) as the contract performance may be extended, an amount equal to 10% of total contract value shall be deducted from the payments to be made against the contract.
- 37.7 All payments shall be subject to any and all taxes, duties and levies applicable under the laws of Pakistan for the whole period starting from issuance of Acceptance Letter i.e. Letter of Acceptance (LOA) till completion of the signed contract in this regard.
- 37.8 Payments shall be made against successful delivery of services at end of each month.
