ITU HOLDS OPEN HOUSE FOR 2018 ADMISSIONS CYCLE TOMORROW

Lahore, December 21, 2017

Information Technology University (ITU) the Punjab is holding its first Open House for the 2018 Admissions Cycle on Friday, December 22, 2017 at Arfa Software Technology Park, 3rd Floor Auditorium from 03:30 pm to 05:00 pm. This Open House is for Undergraduate Programs and Executive MBA in Information, Technology and Entrepreneurship (EMBITE). The EMBITE is a unique program for mid-career professionals, designed to develop or enhance tech-oriented management and entrepreneurial skills. ITU is now offering four undergraduate programs i.e. BS Economics with Data Science, BS Management & Technology, BS Computer Science and BS Electrical Engineering.

This Open House activity will enable the candidates to learn about the University, meet up with the prestigious faculty and get to know about the various facilities. ITU has already opened the online admission portal for candidates. Online admissions for undergraduate applicants are open till Sunday, February 3, 2018. For EMBITE applicants, the last date for submitting the online application is Sunday, December 31, 2017.

ITU has invited prospective candidates, and their parents, to visit the University. Professionals from all business sectors can also attend the special informative session for EMBITE (Executive MBA in Innovation, Technology and Entrepreneurship).
